Program Goals

1. To learn the basic fundamentals and skills of football.
2. To learn sportsmanship, fair play, cooperation, and team work.
3. To have some good clean fun!

In order to encourage these goals, we ask that you the parents, be positive role models during practices and games. The games are for the kids. The parents and spectators on the sidelines should always act in a positive and supportive role.

A special “**Thank You**” to the Coaches, Players, Parents, and Volunteers who make this program possible. The South Platte Youth Football League is a non-profit self funding organization and we could not exist without your support and help.

With each new year we’ve continued to grow. Today we are serving nearly 500 youth within our communities.
Thank you again for all your help!

Our Sponsors

We would like to thank the generous sponsors who without their help this program would not have been possible. It costs approximately \$300.00 to suit up each player in football equipment and that figure does not include the accident insurance, equipment reconditioning, or any administrative cost. As you can see, sponsors were and still are critical to the success of our program. Business and individual sponsors are still needed.

If you are interested in supporting our program you may contact Jim Edwards at 520-1211 or Mike Busmente at 520-4354 or you can e-mail them on the website at the Contact Us page. Thank you again for your support!!!
